<b>Lossfilter</b> <b>Software Developer Intern</b>	August – September, 2024
<ul style="list-style-type: none"><li>– <b>Developed</b> and implemented multiple user flows for the company's website using Next.js, ensuring seamless user experiences.</li><li>– <b>Collaborated</b> with backend engineers to test and integrate APIs into the frontend using Swagger, maintaining clear communication for efficient development.</li><li>– <b>Delivered</b> on-time project demos to senior stakeholders, showcasing completed flows and ensuring alignment with deadlines.</li><li>– <b>Acquired</b> proficiency in Bitbucket for managing workflows, repositories, and pull requests, streamlining development processes.</li></ul>	

## PROJECTS

### Dedundesk - Expense tracker and budget management WebApp

- Built a full-stack financial management application using **Next.js**, leveraging API Routes and ServerActions for robust backend services.
- Implemented secure authentication and authorization workflows with **Clerk**, ensuring a seamless and safe user experience.
- Designed and optimized a responsive UI using **Tailwind CSS**, **Shaden UI**, and interactive data visualizations with Recharts for dynamic financial insights.
- Managed database operations with **Prisma ORM** and integrated **PostgreSQL** on **Vercel** for efficient transaction handling and historical data aggregation.

### SafePi - A Password safe

- Managing passwords for other different websites (ex- Netflix, spotify, etc) and save the passwords in a virtual safe.
- Personalised features adding some security questions that only the user might know about.
- Aim of making a security oriented application that can serve us in day to day life.

## TECHNICAL SKILLS

- **Languages:** C++, JAVA, Javascript, Typescript, HTML, CSS, SQL
- **Frameworks:** React.js, Node.js, Next.js, Tailwind CSS, Bootstrap, React Query (TanStack Query)
- **Developer Tools:** Visual Studio Code, IntelliJ IDEA, Pycharm, Git, Bitbucket, Github, Vercel, Prisma, MongoDB Compass, Swagger (OpenAPI)
- **Additional:** Fluent in Graphic design softwares like Adobe Photoshop and Adobe Illustrator
